Data Protection: Essex County Council (as the Administering Authority of the Fund) is a Data Controller under the General Data Protection Regulations. We store, hold and manage your personal data in line with statutory requirements to provide you with pension administration services. For more information about how we hold your data, who we share it with and what rights you have to request information from the Fund, see the Forms and publications section of our website www.essexpensionfund.co.uk.

Important Notes

- This form is **not** an election to transfer. It allows the Essex Pension Fund to request information from your previous pension providers so that we can issue you with a transfer quotation, and you will then need to decide whether to proceed with the transfer.
- **A transfer request must normally be submitted within 12 months of joining (or re-joining) the LGPS. Your employer may extend this time limit in exceptional circumstances, and you should check what their policy is before making a request outside this period.**
- It is **not** possible to transfer in a Pension Credit awarded as a result of a Pension Sharing Order issued following a divorce or dissolution of a civil partnership.
- You can transfer a non-LGPS linked AVC or FSAVC fund into your LGPS pension account, however you **cannot** transfer them into the in-house AVC scheme.
- Please ensure that you provide up to date contact details for your other pension scheme(s). If you need help finding pensions from your previous employments, you can use the Department of Work & Pensions (DWP) free pension tracing service which is available on their website www.gov.uk/find-pension-contact-details.

Please visit the websites www.essexpensionfund.co.uk and www.lgpsmember.org for more information about the LGPS.
